

NBR schwarz 65Sh | G2001

product information

rev: January 2015

quality no : G2001
quality name : NBR schwarz 65Sh
producer : WiCo Wichmann, Otto & Cie GmbH + Co. KG

description : medium-hard NBR quality, resistant oil and fats

product

version : without inlayer
colour : black
surface : flat
underside : flat

technical data

material	:		NBR/SBR
hardness	:	DIN ISO 7619-1	65±5° Shore A
volume weight	:		1,5 g/cm ³
tensile strength	:	DIN 53504	5 MPa
elongation of break	:	DIN 53504	250 %
working temperature range	:		-20 bis +70°C

stabilities

oil : good resistant
petrol : not resistant
acids : conditionally resistant
bases : conditionally resistant
ozone : not resistant

notes

Our advice is given to the best of our knowledge, but only as a non-binding reference and does not exempt our own examination of the products supplied by us for their suitability for the intended procedures and purposes. The specified technical data are guide values, i.e. experience values from longer production periods. The processing of our products is beyond our control and is therefore exclusively within your area of responsibility. Of course, we guarantee the perfect quality of our products according to our general sales and delivery conditions. Due to raw material and production, as well as by external influences (temperature, humidity, etc.), the stated values can fluctuate by up to ± 25%
