

Abstreifer schwarz 60Sh | G5900

product information

rev: January 2015

quality no : G5900
quality name : Abstreifer schwarz 60Sh
producer : WiCo Wichmann, Otto & Cie GmbH + Co. KG

description : medium-hard NR quality with excellent abrasion resistance

product
version : without inlayer
colour : black
surface : flat
underside : flat

technical data

material	:		NR
hardness	:	DIN ISO 7619-1	60±5° Shore A
volume weight	:		1,2 g/cm ³
tensile strength	:	DIN 53504	14 MPa
elongation of break	:	DIN 53504	300 %
abrasion	:	DIN 53516	< 150 mm ³
working temprature range	:		-20 bis +70°C

stabilities

oil	:	not resistant
petrol	:	not resistant
acids	:	resistant
bases	:	resistant
ozone	:	resistant

notes
Our advice is given to the best of our knowledge, but only as a non-binding reference and does not exempt our own examination of the products supplied by us for their suitability for the intended procedures and purposes. The specified technical data are guide values, i.e. experience values from longer production periods. The processing of our products is beyond our control and is therefore exclusively within your area of responsibility. Of course, we guarantee the perfect quality of our products according to our general sales and delivery conditions. Due to raw material and production, as well as by external influences (temperature, humidity, etc.), the stated values can fluctuate by up to ± 25%
