

# EPDM Moosgummi schwarz | P0740

## product information

rev. Januar 2015

<b>quality no</b>	:	P0740
<b>quality name</b>	:	EPDM Moosgummi schwarz
<b>producer</b>	:	WiCo Wichmann, Otto & Cie GmbH + Co. KG
<b>description</b>	:	foamed EPDM quality, resistant to weathering and ozone, as well as acids and bases
<b>product</b>	:	
colour	:	black
composition	:	continuously extruded and vulcanized 100 % closed cell, completely closed outer skin
equipment	:	without or one sided adhesive as assembling aid
<b>technical data</b>	:	
material	:	EPDM
volume weight	:	0,5 g/cm <sup>3</sup>
working temprature range	:	-35 bis +110°C
<b>stabilities</b>	:	
ozone, weather conditions, light	:	excellent resistant
oil, fasts (vegetable)	:	excellent resistant
oil, fasts (animal)	:	conditionally resistant
oil, fasts (minerally)	:	conditionally resistant
acids, bases	:	excellent resistant
Ketones, alcohol	:	excellent resistant

## notes

Our advice is given to the best of our knowledge, but only as a non-binding reference and does not exempt our own examination of the products supplied by us for their suitability for the intended procedures and purposes. The specified technical data are guide values, i.e. experience values from longer production periods. The processing of our products is beyond our control and is therefore exclusively within your area of responsibility. Of course, we guarantee the perfect quality of our products according to our general sales and delivery conditions. Due to raw material and production, as well as by external influences (temperature, humidity, etc.), the stated values can fluctuate by up to  $\pm 25\%$
