

# NR/SBR schwarz 80Sh | G4004

## product information

rev: January 2015

**quality no** : G4004  
**quality name** : NR/SBR schwarz 80Sh  
**producer** : WiCo Wichmann, Otto & Cie GmbH + Co. KG

**description** : hard NR/SBR quality with good mechanical properties

## product

version : without inlayer  
colour : black  
surface : flat  
underside : flat

## technical data

material	:		NR/SBR
hardness	:	DIN ISO 7619-1	80±5° Shore A
volume weight	:		1,5 g/cm <sup>3</sup>
tensile strength	:	DIN 53504	3 MPa
elongation of break	:	DIN 53504	150 %
working temperature range	:		-20 bis +70°C

## stabilities

oil : not resistant  
petrol : not resistant  
acids : not resistant  
bases : conditionally resistant  
ozone : not resistant

## notes

Our advice is given to the best of our knowledge, but only as a non-binding reference and does not exempt our own examination of the products supplied by us for their suitability for the intended procedures and purposes. The specified technical data are guide values, i.e. experience values from longer production periods. The processing of our products is beyond our control and is therefore exclusively within your area of responsibility. Of course, we guarantee the perfect quality of our products according to our general sales and delivery conditions. Due to raw material and production, as well as by external influences (temperature, humidity, etc.), the stated values can fluctuate by up to ± 25%
